A photograph of three young women of diverse backgrounds sitting at a table in a library, studying together. The woman on the left has blonde hair and is wearing a red scarf. The woman in the middle has dark curly hair and is wearing a denim jacket over a striped shirt. The woman on the right has long brown hair and is also wearing a denim jacket. They are looking at a laptop and books on the table. A coffee cup is also visible on the table.

Join our Global Community

Studying abroad can be a life changing experience. It's a fantastic opportunity to broaden your education, immerse yourself in a new culture and possibly a new language, travel the world and meet new friends.

Apart from the educational benefits, studying abroad can enhance your future career prospects. Many employers are looking for people who are adaptable and who can communicate well across cultures. In an increasingly globalised workplace, intercultural fluency is a sought after attribute. Being in another country will expose you to a global mind-set and a new style of education. You can fully interact, learn to understand and articulate different world views.

Being away from home will provide you with the confidence and valuable life skills that will stand you in good stead, personally and professionally. You will learn a lot about yourself during this transformative experience and return home with an enhanced academic and real-world education.

What to expect from CUC Ulster

- Small class sizes, allowing a more personalised experience
- Attentive academic and pastoral support
- Unbiased career and educational advice and guidance
- A personal learning advisor for your duration of studies
- A fun and relaxing living and learning environment

We can help you with the following services

- Selecting the right academic programme for your circumstances
- Understanding the admission requirements for international students
- Applying for a student visa
- Calculating the cost of living in Qatar
- Finding accommodation close to campus to suit your personal needs
- Preparing for an exhilarating life in Qatar

Introducing CUC Ulster University in Qatar

CUC Ulster University Qatar new campus building

CUC Ulster is a modern and dynamic higher education institution based in Qatar who, in partnership with Ulster University offers recognised UK diplomas, undergraduate and postgraduate degrees that are licensed by the Ministry of Education and Higher Education, Qatar. Through its Applied Learning and University pathways, CUC Ulster offers alternative routes to university and work for students from across the globe.

If you wish to follow an Applied Learning route to a degree, you can spend the first 2 - 2.5 years completing a BTEC Higher National Diploma. BTEC qualifications are accredited by the Business and Technology Education Council, awarded by Pearson Education Ltd in the UK and licensed by the Ministry of Education and Higher Education in Qatar.

About Ulster University, UK

Ulster University has a national and international reputation for excellence, innovation and regional engagement, making a major contribution to the economic, social and cultural development of Northern Ireland in the UK. Their core business activities are teaching and learning, widening access to education, research and innovation and technology and knowledge transfer. They have an outstanding reputation for teaching as well as world-class teaching facilities, coupled together, this creates an educational experience that develops skills, raises ambitions and prepares future leaders. In 2019, it formed a strategic partnership with CUC Ulster to offer UK based undergraduate Honours and postgraduate degrees in Qatar.

Ulster is renowned and respected for its world-leading research

Excellence in teaching, underpinned by world-leading research, is the foundation upon which every quality university is built. Ulster University has an outstanding reputation for teaching and a strong

track record in research and innovation, addressing real-world issues of both local and global relevance. Ulster is renowned and respected for its world-leading research, as demonstrated in the 2014 Research Excellence Framework (REF). As an Ulster student, you benefit first hand from our discoveries and advances, working with leading academics to develop the knowledge and skills to transform our economy and society. Each year we spend over £46 million on research. We continue to develop and invest in our capabilities to ensure we stay at the forefront of innovation.

Teaching Excellence

The quality of our teaching ensures that your learning experience is of the highest academic standard. Our programmes are regularly reviewed and we constantly monitor the changing employment market to ensure you attain the relevant knowledge, skills and professional qualifications to excel in your future career. Many of our academic staff have industry experience, which shapes and informs the teaching you receive at Ulster.

Qatar, a Brilliant Place to Study and Live

Qatar is a warm and welcoming land of beautiful contrasts, a dynamic and exciting cultural experience, with a sense of timeless serenity and tradition.

Qatar brings together old world hospitality with cosmopolitan sophistication, the chance to enjoy a rich cultural tapestry, new experiences and adventures. Qatar, a land of diversity, is preparing to host the 2022 FIFA World Cup: football stadiums, museums, luxurious shopping malls, international restaurants, old souks, efficient public transport, sand dunes and green parks make Qatar a wonderful destination to discover, fast becoming a study destination of choice.

We invite you to explore Qatar

- **The Corniche**, the walkway running around the bay, is a popular destination for visitors, expats and locals to enjoy walking and picnicking.
- **Souq Waqif**, a maze of curving alleyways crammed with loads of restaurants, coffee shops and tiny shops selling souvenirs and useful everyday items like fabric, kitchen goods, shoes, clothes, hardware, spices and nuts.
- The **Museum of Islamic Art** and the **National Museum** are both iconic buildings with beautifully curated and high-quality collection, set to be a significant world attraction.
- The **Katara Cultural Village**, a beautiful place for a stroll by the sea, includes several restaurants with different cuisines worldwide. It houses the Opera House, and several art galleries and the new Art Museum and theatre.
- **The Pearl**, an attractive island, with cafes, shopping and boat sight-seeing.
- A trip to the **inland sea**, deep in the desert, where dune bashing (driving over dunes) is always exhilarating.

About Qatar

The CUC Ulster Experience

The Commitment

This Commitment outlines our expectations to ensure that you achieve your true potential and maximise future personal and career opportunities. We make a commitment to all students (regardless of race, gender, disability, age, religion or sexual orientation), employers and members of the community.

As a prospective student, you can expect:

- Impartial information, advice and guidance in a range of ways and formats which is clear, accurate and comprehensive and which helps you to choose the right course for you.
- support for disclosed or identified individual needs at all stages of the process
- where an in-depth guidance interview is appropriate, and an application form is required:
- Acknowledgement of your application within four working days
- Notification of the date of your interview within two weeks of your application
- a supportive interview with a suitably experienced member of the staff
- a range of programmes which lead to qualifications that are recognised internationally
- accurate information on study and other

related costs and the time required to complete the course

- information on support available, including financial assistance

As a student studying with us, you can expect:

- an induction which includes details of your Programme of Study, and information on all student support services.
- support from a personal tutor/advisor who will help monitor your progress and provide advice and guidance
- further advice and guidance should you find yourself on the wrong course of study, and the opportunity to transfer if appropriate
- an outline of the key dates for your programme with negotiated variances if individual needs arise through disability
- clear information on the assessment requirements for your course, and the assessment timetable with individual adaptations made to cater for disability when appropriate
- high quality teaching by appropriately qualified and experienced staff, on a course of study that meets your learning needs and accommodates your preferred learning style
- lessons which start and finish on time
- a learning experience which is both stimulating and challenging

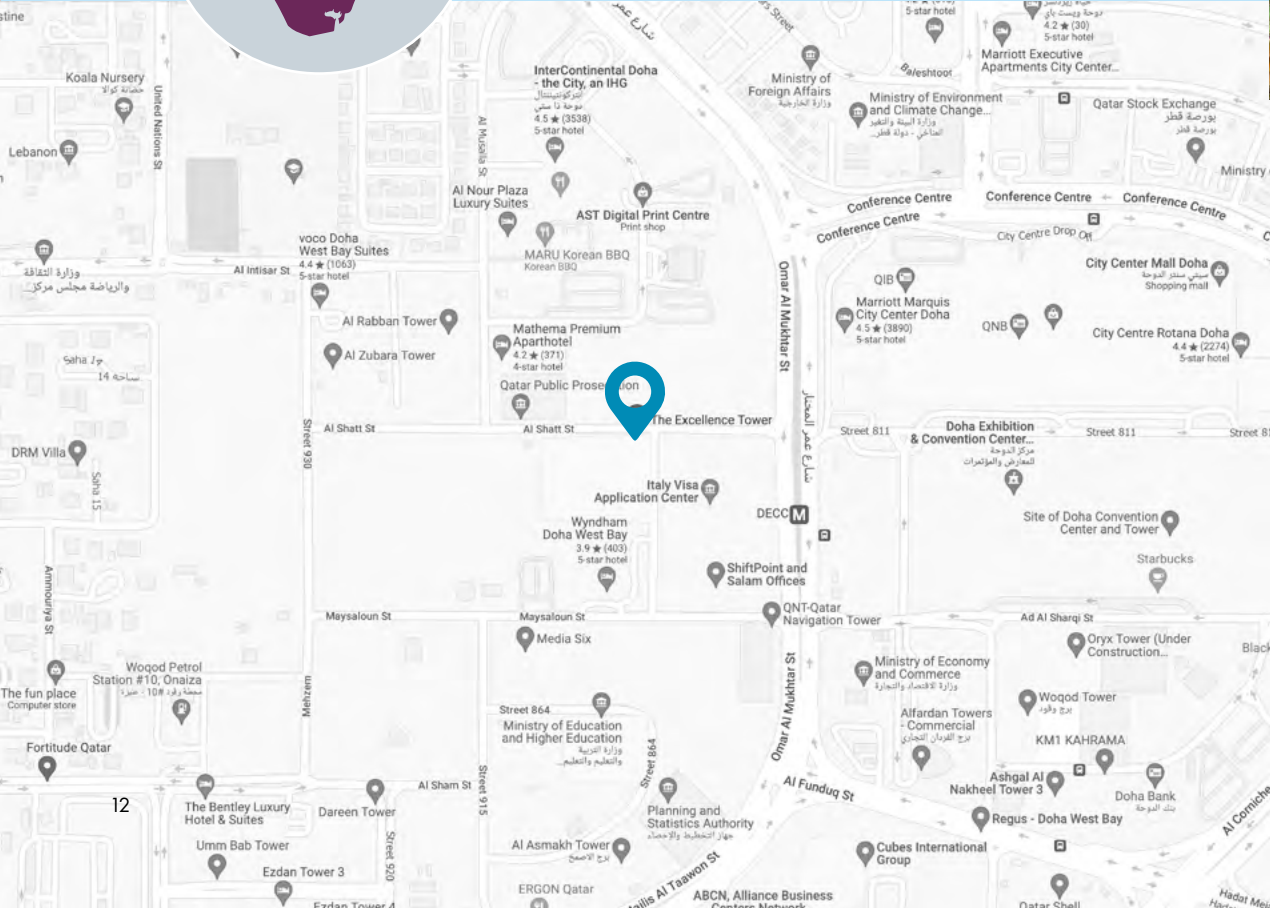

- additional learning support if appropriate, to help you achieve your full potential
- learning spaces which are safe, welcoming, specifically adapted where necessary, and appropriate for the activities being undertaken
- access to resources and facilities for private study which helps you to do well on your course, including a library and IT facilities which as far as reasonably possible are accessible to all
- formal and informal assessment of your achievements during your period of study which are discussed with you regularly and as required
- confidential, unbiased careers, welfare and finance advice and guidance throughout your time of study
- access to a range of support services specific to need, which include counseling
- the opportunity to feedback to us on your learning experience as a student
- information, advice and guidance on what is available to you when you finish your course
- help with applications to further education, higher education and employment.

As a student, you commit to:

- respecting the environment and abiding by CUC Ulster rules and the Student Code of Conduct
- taking responsibility for managing your

learning and for all elements of your study programme by attending regularly and punctually, and taking a positive attitude towards your work, informing tutors if this is affected by disability

- submitting coursework by stated deadlines and learning from all forms of feedback
- working with your lecturers and other CUC Ulster staff to maximise your potential
- making active use of facilities to support your learning
- wearing your ID card when in CUC Ulster
- being considerate of the rights and interests of others, including those with a range of individual needs
- taking care of all CUC Ulster buildings and furnishings, and respecting other people's property
- supporting the needs of students with disabilities
- playing an active part in promoting equality of opportunity by:
- treating everyone with respect, regardless of differences in culture, ability, race, gender, age, sexual orientation, or religion
- challenging and reporting discriminating behaviour
- letting us know quickly if you feel we have not provided the service we have promised or if you have any other problem

Qatar / CUC Ulster

The CUC Ulster Campus in Qatar is located within West Bay, the bustling business and cultural center. We have invested heavily in developing a modern, state-of-the-art facilities with the latest technologies to provide the best premium learning experience possible.

Campus Character

With digital and social connectivity at its heart, our campus has a modern, creative vibe. It embraces a range of subjects, including Artificial Intelligence, Computing, Business Entrepreneurship & Small Business Management and much more. The campus is situated at the centre of the city's business hub at the Excellence Tower opposite The Gate Mall.

The location provides the campus with a significant added advantage of various amenities and facilities being available right at your doorstep. The campus is within walking distance to the Qatar Rail/ Doha Metro, making transportation readily available (timings 6:00 AM to 11:00 PM).

In addition, the campus is centered between two landmarks: City Centre and the Gate Mall, providing students with a great choice of restaurants and cafes, beauty salons, grocery stores, shopping stores, cinemas and other entertainment facilities.

The area is not only luxurious, but the constant hustle-bustle of the ever busy business area makes it a great place to socialise, meet, interact and connect with people of different cultures.

Introduction

Academic and Pastoral Support

Academic Support

We offer a range of specialist support services to help you receive the proper support at the right time. You will receive a comprehensive orientation to your programme and access a range of services, including study support. If you have a disability, we will assess your needs and adjust your studies appropriately. This can include additional time to complete exams or coursework.

When you join us, you will be allocated a dedicated Academic Advisor who will guide and support you through every aspect of your studies. They will be your point of contact on academic and pastoral support matters.

We publish an annual student development plan so you can see what support you can expect to receive. This includes personal development and enrichment to ensure that your time at CUC Ulster is enriched.

Personal Development

We place great importance on your well-being and welfare and provide additional support through workshops, presentations and seminars. During your studies, you will be offered the opportunity to improve your communications skills, expand your emotional intelligence, develop your leadership skills and become more critically aware of key global issues and topics.

Career and Employment Advice and Guidance

Gaining a higher education qualification can open doors to a successful job or career. However, it is important that our students are fully equipped to maximise their chances of getting a job or gaining promotion. We embed employability skills into each of our programmes and you will be able to attend

- **Career planning sessions**
- **CV workshops**
- **Mock interviews**

Being a Student Ambassador

If you wish to get more involved in the running of the University you can become one of our Student Ambassadors. Our ambassadors help with marketing and promotional work, assisting other students and representing the University at major events such as the Uni-Expo.

Enrichment

Studying hard for your qualification is only part of your CUC Ulster experience. It is important that you enjoy your time here in Qatar. As part of our global community, we organise various activities, including visits to museums and the National Library, volunteering and charity work, cultural workshops, trips and events throughout the year. This is an excellent opportunity to meet other students and learn more about Qatar.

Health and Wellbeing

Qatar is one of the safest countries in the world. However, it is important to maintain your mental and physical wellbeing and as part of that we arrange opportunities to become active and engage in a varied range of games and sports.

We also have access to the Gate Mall, where you can receive emergency treatment in the unlikely event if you become ill or need medical support.

Orientation

Our orientation programme will offer you the chance to meet other international students, introduce you to Qatar and provide all the information you need to make the most of studying at the university and living in Qatar. The programme includes an exciting range of workshops and social activities to help you find your way around Qatar and CUC Ulster and meet other international students. Sessions include: understanding the healthcare system in Qatar, working while you study, visa conditions, shopping and transport, things to see and do in Qatar, as well as exercise and sports sessions and social events.

Connect with Staff & Current Students:

Your UniBuddy will provide you with helpful advice, practical solutions and a friendly face to connect with: cityuniversitycollege.edu.qa/unibuddy/

International Student Experience Team

Our International Student Experience (ISE) team are a dedicated team of pastoral and support staff who act as a contact point for you should you have any questions, queries or suggestions before you arrive and whilst you study. They will help you prepare for your journey to Qatar, welcome you upon your arrival and support you throughout your time with us. With a dedicated team member, support is there for you where and when you need it.

Our team provides assistance across a range of issues such as orientation to the local area, homesickness, study difficulties, academic concerns, budgeting, health, personal challenges, family emergencies and more. This service is free and highly confidential.

Preparing to travel

Preparation is everything. Take time to find out before you travel about when you need to arrive, where you need to be and what you need to bring with you and it will make your journey and stay at university much less stressful.

What clothes you should pack

The climate in Qatar is generally sunny all year round, although the temperatures can be high in the summer months (June – September). You should bring clothes that you feel most comfortable in.

You may want to bring your national costume or something more formal to wear on special occasions but only pack what you can carry.

What else you should pack

You will have to carry your luggage and there are going to be size/weight restrictions, so only pack what is necessary.

Many of the items/brands that you know can be bought in Qatar from shops in many of the large shopping malls so you may not need to bring them from home, for example:

- **Toiletries**, e.g. toothpaste, shower gel, soap, deodorant
- **Bedding** – you can request a bedding pack from Residential Services for a fee
- **Kitchen utensils** – some kitchen utensils will be available in University accommodation
- **Adapters** for electrical equipment
- **AA/AAA batteries**

Before you Arrive

Travel Insurance

It's very important that you purchase travel insurance before your journey to Qatar. You should be able to purchase insurance through a travel agent or an insurance company in your home country.

Medical Insurance

We strongly recommend that all of our international students purchase their own private medical insurance before leaving home.

Final Check-list

- Have you applied for and received your student visa or entry clearance to Qatar?
- Arranged your accommodation and made the advance payment if necessary?
- Arranged travel insurance, medical insurance, insurance for your property?
- Obtained any relevant medical records, including vaccination certificates, and have them translated into English if necessary?
- Checked restrictions on goods which can be brought into Qatar?
- Packed your luggage and checked the weight to make sure that it doesn't exceed baggage allowance at the airport?
- Packed in your hand luggage: your passport, Student Visa, original documents, accommodation confirmation letter, a small amount of Qatari money for initial purchases, any medication that you need during your travels?
- Checked on the restrictions on the amount of money you are allowed to bring into the country?
- Packed a laptop or tablet to access course materials and complete assignments?

Arriving in Qatar

Travelling to Qatar

Qatar can be easily reached from every continent with flights offered by Qatar Airways and many airlines from across the globe. Hamad International Airport is conveniently located approximately 15 minutes from CUC Ulster.

When you arrive in Qatar

The “valid from” date on your visa is the date from which you can legally arrive in Qatar. We will be in touch with you a month before and will provide you with lots of information about our support options and transfers to your chosen accommodation.

Upon arrival at Hamad International Airport, you will be taken to your chosen accommodation. You will receive a welcome pack which will provide you with further instructions on your first few days and what to expect.

We arrange an airport pick up for all international students, including our Ahlan wa Sahlan (Hello) meet and greet service at the airport.

UNIVERSITY OF THE FUTURE

Our New Campus Coming Soon!

Situated in the heart of Qatar's revolutionary 'Smart City,' Lusail, our new university campus promises a vibrant intellectual hub, sprawled across 11,500 sqm, and capable of hosting up to 5,000 students. With an innovative architectural marvel set to harmonize with the existing skyline, the campus promises to contribute to Lusail's burgeoning narrative as one of the most ambitious projects in Qatar.

Just a stone's throw from the famed Lusail Stadium, the campus will be accessible via an extensive network of road and rail systems, offering unparalleled proximity to all urban conveniences.

Stepping onto the campus, students will be greeted by a grand central atrium that showers every corner with natural light. Facilities such as a rooftop swimming pool, a walking/jogging track, a full-size sports hall, and a gymnasium all resonate with our commitment to holistic wellbeing. Spacious circulation areas and student lounges further facilitate a culture of engagement and relaxation.

Soon, you could find yourself embarking on an enlightening academic journey amidst the futuristic landscape of Lusail, enjoying the perfect blend of academia, fitness and a vibrant student experience. Experience the future of education at our brand-new campus, set to be completed in 2024!

Being a Student at CUC Ulster

Being a student at CUC Ulster is much more than studying. We provide students with a unique, diverse and inclusive environment both academically and socially.

In addition to classes, students have the opportunity to socialise and have fun. CUC Ulster students become involved in outreach community service activities and experience leadership opportunities that will develop lifelong skills, give them an edge as graduates, and help them contribute to the community.

Extra-Curricular Social Activities:

Student-driven extracurricular social activities are organised throughout the year, bringing together CUC Ulster students, faculty and staff. Students can access sports facilities and can become involved in arranging social events.

Volunteering and Outreach Opportunities:

Students will find many opportunities to volunteer in outreach activities and participate in recognised business events. Students are also encouraged to participate throughout the academic year in various business conferences in and out of Qatar.

Academic Support

We offer a range of specialist support services to help you receive the right support at the right time. You will receive a comprehensive orientation to your programme and access to a range of services including study support. If you have a disability, we will assess your needs and put in place appropriate adjustments for your studies. This can include additional time to complete exams or coursework.

Career and Employment Advice and Guidance

Gaining a higher education qualification can open doors to a successful job or career. However, it is important that our students are fully equipped to maximize their chances of securing a job or gaining promotion. Being a student, will allow you to access:

- Career planning sessions
- CV workshops
- Mock interviews
- English language tuition and testing
- Academic study skills support
- Internships and work experience

Being a Student Ambassador

If you wish to become more involved within the University, you can become one of our student ambassadors. Our ambassadors help with marketing and promotional work, assisting other students and representing the University at major events such as the Uni-Expo. By becoming a CUC Ulster Ambassador, you will be able to earn special discounted tuition fee rates, enhance your CV and help others.

Learn & Earn

The innovative “Learn & Earn” programme at CUC Ulster University provides an unmatched opportunity for students to bridge the gap between academic knowledge and real-world experience. Boasting a remarkable 100% placement rate, the university is pioneering a pragmatic approach to higher education, enabling students to secure internships or part-time employment while they pursue their studies.

CUC Ulster has successfully forged alliances with esteemed corporations across Qatar, such as Qatar Energy, Qatar Steel, Hamad Medical Corporation, Hassad Foods, GWC Logistics, and many more. This network of affiliations gives students a wealth of choices and unparalleled access to Qatar’s most respected companies. In this way, students garner indispensable, hands-on experience that catapults them ahead in today’s intensely competitive environment.

The internship and work programmes stand as a testament to the university’s commitment to quality education and holistic student development. Offering exposure to a wide array of industries, from oil and gas to cutting-edge tech firms, CUC

Ulster ensures that students are well-equipped with the skills needed to thrive in the workforce post-graduation.

In addition to benefiting students, CUC Ulster also provides companies with a dynamic, talented, and well-educated pool of candidates, ripe to become future industry leaders.

CUC Ulster University also aligns with the Ministry of Education and Higher Education’s “Study in Qatar” initiative, attracting international students to the country by providing financial and experiential opportunities. This underscores Qatar as a preferred destination for higher education, thus further bolstering its reputation, and CUC Ulster’s reputation, on the global stage.

Reflecting the ideals of the 2030 Qatar National Vision, which emphasises human development, CUC Ulster University’s Learn & Earn initiatives contribute substantially to the nation’s trajectory towards a knowledge-based economy. By empowering its students to “earn while they learn,” the University is shaping the future of education in Qatar, one student at a time.

How to Apply

We run two student intakes a year – September and January (check individual programmes)

Before applying, please check the specific admission requirements for the programme(s) you intend to apply for. Once you have gathered all the necessary evidence (see required documents list), complete the online application form or download an application form from our website.

We will send you a confirmation email once we have received your application and we aim to review your application and respond within 2 days. We may contact you to check your details or ask for more information depending on the requirements of the course.

If everything has been correctly completed, you will receive one of the following responses by email:

1 An Unconditional Offer

This means you have been accepted onto the programme and will be required to pay the registration fee in order to confirm your place.

2 A Conditional Offer

This means you will need to meet the conditions of the offer before you are accepted. This might be because you are waiting on exams or test results; that you need to achieve the necessary English Language level or something you need to provide before you are accepted. This information will be clearly stated in the offer letter you receive.

When you receive the offer letter, you will be asked to sign and return a form which confirms your acceptance. When you receive an unconditional offer, and to secure your place, you will be asked to make a minimum deposit payment against your tuition fees, of 3,500 QAR. A deposit payment does not signify that we will issue you with a Certificate of Acceptance for Studies (CAS). We view it as a sign of your commitment to study, and part of a staged admissions process.

The QR 3,500 deposit is also the registration fee payment that as per our fees policy is non-refundable. It can be refunded only if the condition of the conditional offer is not satisfied.

Required Documents

To apply for one of our programmes, you must upload, attach or include the following documents with your application:

1. Official Transcripts/ Grade Reports covering your last three years of high school as well as any further education you might have completed. If submitting manually, please place it in a sealed envelope with your name added. If further grades become available after you submit your application form, please submit them to our Admissions Office.
2. Photocopy of your Passport data page(s).
3. 2 passport-size photos.
4. Parent/ guardian signed declaration on application form (if under the age of 18).
5. Accepted English Language test at required level.
6. Your CV for those programmes that require evidence of your work experience.

Sponsorships

If your fees will be paid by a sponsor (i.e Ministry or Company), then you will need to include a sponsorship letter from the organisation. If you will be receiving sponsorship from the Ministry of Administrative Development in Qatar, please provide a copy of this letter. If you will be receiving sponsorship from an organisation, the sponsorship letter should be submitted in English directly by the organisation, supplied in a sealed envelope or sent via email. If this document is not in English, it must be submitted along with an officially certified English translation.

Additional information

You may also wish to include information in support of your application, such as a letter of recommendation or a reference. The recommendation/reference letter may come from a Teacher/ Counsellor/ Employer and provide supportive information. Make sure to choose a candidate that knows you well and can inform us of your qualities, strengths and talents. The letter should be either in English, or Arabic, with an officially certified English translation.

PLEASE NOTE:

- All documents that are submitted become the property of City University College and cannot be returned to the applicant.
- If attaching documents through our online form, we only accept JPEG or PDF formats.

English Language Requirements

All our programmes are taught in English and therefore there is a requirement for you to be able to read, write, speak and understand the language. Every programme has a required level of English that you need to be at before you can join. If you do not have evidence of your English Test level, you will be offered the opportunity to sit our Password Test or be registered to complete an IELTS or Pearson PTE test.

If you do not have the required level, you will be offered the opportunity to join one of our pre-session English programmes that will prepare you to meet the level you need. Alternatively, you can enrol on one of our English Language classes.

If you have any difficulties completing our application process, please contact us on:

Tel: (+974) 40 198 198

Email: admissions@cuc-ulster.edu.qa
